Approaching via Glastonbury

Take A361 from Glastonbury towards Shepton Mallet. Immediately on entering Pilton take the road to the left called Totterdown Lane between the Crown Pub and the old Pilton Village Store. *Go straight at the first cross roads at top of hill and drive down the hill passing Burford House on your left (large grey Victorian House). Continue down a steep hill. On entering WEST COMPTON hamlet, the road swings right. **Do not turn left in to the hamlet** but keep bearing right. After about 100 yards there is a small junction with a large modern house on your right-hand side called Midsummer House. The road swings around a sharp corner to the left signposted to Wells and Shepton Mallet. Do not go left but go straight ahead down a small lane keeping the new house on your right. The barn is a few yards down this road on your left. Go through the metal gate and park in the concrete yard.

Approaching from Bath/Bristol direction

Turn right off A37 on to B3136 and go into centre of Shepton Mallet. At Tesco's roundabout turn right. Continue on B3136 towards A361. After one mile go straight across at junction and descend a steep hill. You will see a turning on the right signposted "West Compton". Go through a farmyard and follow lane for about a mile. Entrance to the barn is on the right as you enter the hamlet just past the white gate to Manor House
